

**ENGINEERING CONSTRUCTION INSPECTOR
PUBLIC WORKS DEPARTMENT**

SALARY RANGE: \$24.46 - \$32.78 per hour

CLOSING DATE: February 22, 2016, First Review; Open Until Filled

ABOUT THE JOB:

The City of Beaverton is seeking a dynamic, well-rounded individual with water, storm, street, and sanitary experience to inspect public works construction for both city capital improvement projects and private development, including site grading, erosion control, and parking lot construction.

ESSENTIAL FUNCTIONS:

- Read and interpret construction plans in conjunction with actual construction, consult and advise developers, contractors and engineers of requirements needed to pass inspection;
- Manage, oversee, inspect, and document activities on capital improvement projects;
- Meet with staff and customers to explain engineering requirements and resolve conflicts;
- Write, maintain, and file accurate inspection records;
- Provide excellence in internal and external customer service;
- Support and respect diversity in the workplace.

TO QUALIFY:

Requires an Associate's degree in civil engineering technology and three years' experience in engineering inspection or a related field, or an equivalent combination of education and experience.

Requires a valid driver's license and the ability to meet the City's driving standards. A State of Oregon Water Distribution certification and ODOT certification is a plus.

HOW TO APPLY: Applications may be completed on our website at www.BeavertonOregon.gov or by submitting a City of Beaverton application
